The First Book in the Library

Edgelands Arts have been commissioned to create the first book in the new library at Birkby, and we want you, the local community to fill it with your stories, hopes and dreams. This book will take pride of place in the new Birkby Library when it opens in June 2021

A Cast of Characters

Our first challenge is about characters...

Show us your favourite book character – dress up, send us a photo of an illustration from the book, draw the character – join us online for a family/remote learning book character workshop with sound, movement and play.

Send it to us at edgelandsarts@gmail.com or via Facebook @edgelandsartsuk or post it to G27 The Arthouse, Drury Lane, Wakefield, WF1 2TE
