

# The First Book in the Library

Edgelands Arts have been commissioned to create the first book in the new library at Birkby, and we want you, the local community to fill it with your stories, hopes and dreams. This book will take pride of place in the new Birkby Library when it opens in June 2021

## A Story for Birkby, Fartown & Hillhouse

## Our second challenge is about stories...

Tell us about your favourite books – write a review, draw a picture, introduce us to your favourite story or join us at our virtual book club to persuade us why we should read it!
